

CHARITABLE CONTRIBUTIONS

2021 Application Timelines

Our Charitable Contributions Committee will review applications for funding consideration in accordance with the information outlined below.

- **Note:** The information below is intended as general guidance around contributions application submission and may be subject to change without prior notice or notification of individual organizations.

Charitable Cash Contributions

- 2021 charitable contributions cash applications may be submitted for funding consideration from **February 1, 2021 – November 5, 2021**.
- In most instances, our Charitable Contributions Committee will review the application and make a funding decision within 60-90 days after submission.
- Regardless of outcome, all organizations will receive an email informing them of the final status of the application once our contributions committee has made a decision.
 - **Note:** To ensure you receive the funding decision update, please verify the listed email prior to submitting your application for review.
- For additional details around eligibility requirements, funding restrictions, and the application process refer to our 2021 Charitable Cash Contributions FAQs (located under Charitable Contributions on our Corporate Social Responsibility [website](#)).

Charitable Product Contributions – Overseas Medical Mission Trips

- To be eligible for consideration, all applications requesting cataract-related surgical product contributions (to support overseas medical mission trips) must be submitted a minimum of six weeks prior to the trip departure date.
- Medical mission trip-related product contributions application forms, eligibility requirements, and program restrictions can be found [here](#).
- At this time, we can only consider product contributions applications related to cataract surgery-focused overseas medical mission trips. All other product and equipment donation requests are currently ineligible for contributions consideration.
