

Our Vision for Good – Frequently Asked Questions

I do not have a 501(c)(3) tax number. Can I still apply?

Johnson & Johnson Vision limits their donations to organizations that have valid 501(c)(3) status. Your organization's Employer Identification Number (EIN) and letter of determination will be necessary to complete the application.

Can I come meet with or speak to someone over the phone regarding my request or organization?

Johnson & Johnson Vision receives many requests for contributions each year. The volume prevents in-person contact prior to the submittal of your application, but applicants are encouraged to upload additional information into their applications such as news articles, annual report, etc. A member of the Johnson & Johnson Vision Corporate Social Responsibility team will reach out if more information is needed.

Will Johnson & Johnson Vision decline or approve the full amount of my request?

Johnson & Johnson Vision strives to allocate its resources wisely to help worthy organizations that align with its giving focus areas. The company may approve partial funding for a request rather than decline the full amount.

How fast will I hear a response?

Responses are provided according to our review schedule.

How do I begin?

Please go to <https://www.jjvision.com/corporate-social-responsibility> and scroll to the Charitable Contributions section. From there you will be directed to our applications portal.

Why is my tax number showing invalid in your system?

Our system cross-checks the federal tax number which you enter against the IRS database for verification of its charitable status. IRS 501(c)(3) nonprofit status is a requirement to request support.
